

Product Description

Feature:

Constant voltage
Outdoor LED Power Supply
PWM switch design
Input rated frequency: 50 or 60Hz
Input frequency range: 47 to 63Hz

Models Type:

Model No.	Input Voltage	Output Voltage	Output Current	Output Power
VA-12030M	170 - 250VAC	12VDC	2.5A	30W

Size: 217 x 28.5 x 20mm

Net weight: 250g

Efficacy:

Efficiency: 80% Min
Output Line Regulation: $\pm 3\%$
Output Load Regulation: $\pm 5\%$
Output Over Shoot: 10% Max

Protection:

Over Voltage Protection (recover automatically),
Protection (recover automatically)
IP 68.
1 year warranty

Test:

100% full load burn-in test
IP68.
Dielectric Withstand Voltage: 1.5KV 3mA 60s

Environment:

Operating Temperature: -20°C to 70°C
Storage Temperature: -40°C to 85°C

Certificate:

CE(IEC61347-2-13), RoHS, IP66

Input Electric Wire: VDE H03VV-F 3G \times 0.75mm²

Output Electric Wire: VDE H03VV-F 2 \times 0.75mm²

Packing: 50pcs/ctn, carton size: 33 x 26 x 20cm
